Message From The President

親愛的各位會友們大家好!

淡淡的三月天,應該是鳥語花香氣候怡人,一年當中最舒適的季節,但是,白宮新團隊啟動近兩個月,幾乎每天都有驚人的大新聞,揮舞著關稅大棒向世界掃射,沒有具體的財經與國際貿易政策,華爾街金融指數上下震盪跌多漲少,金融資本急需找個安全的避風港,到底要如何對抗通貨膨脹呢,當通膨開始飆高時投資者會尋找保值資產,例如優質的房地產比貨幣或證券更能保值。

本週六本會特別為您準備的「房地產講座」,如何計畫退休生活?如何幫助孩子買房?如何估算房地產價質?還保留了充分的討論時間讓大家儘量發問,值得參加趕快報名。「房地產講座」一共為期兩個月,3/15(星期六)由梁競輝主講,講師擁有房產經紀人以及專業估價師執照,4/27(星期日)由李雄及張園立主講,一位是資深房地產名人一位是專業貸款顧問,兩位都是本會的前會長,如此陣容勢必精彩請勿錯過。

會長 徐世鋼 敬上

●中醫養生座談會

2月23日(星期日)下午2點,本會主辦中醫養生 座談會,邀請到徐松玉中醫博士幫助大家了解體 質,維護健康人生。中醫講究春養肝、夏養心、 秋養肺、冬養腎、四季養脾胃,這些傳統智慧吸 引了眾多會員的興趣。

會長徐世鋼表示,這次中醫保健養生講座期待 已久。中醫涵蓋治療、保養、調理、平衡,甚至 在疫情後的養肺養心尤為重要。上醫治未病,學 習調養成為提升生活質量的關鍵。

僑教中心主任王盈蓉也分享了自己對中醫療效 的信任。她表示,中醫的預防勝於治療理念深得 人心,有些病症甚至可中西醫並用,相輔相成。 徐松玉醫師在演講中強調,中醫診斷強調辨證論 治,需全面觀察病人的狀況。即使是感冒,不同 人體表現不同,治療方式也會有所差異。因此, 許多西醫醫師也回來學習中醫,以解決西醫無法 處理的病症。

例如,一位92歲的青光眼患者在西醫束手無策時,通過針灸成功控制了病情,連眼科醫生都建議繼續中醫治療。中醫雖然見效較慢,但注重根本調理,長期下來能有效改善健康狀況。

談及老年癡呆,徐醫師認為過度用腦、壓力過 大會導致腦部退化,建議適時放鬆、多運動,並 多攝取如花生等補腦食物,以預防腦部老化。

此次座談會讓會員們深入理解中醫的博大精深,並學習如何在日常生活中實踐養生之道,為健康人生奠定堅實基礎。

Business Discussion & Announcement

1. Approval of the previous meeting minutes.

2. President's Report

The seminars organized by TCC are always wellreceived by everyone. The main reasons for this are the attention paid to two aspects: 1. Selecting the right topics, and 2. Inviting the right speakers. On February 23rd, we held a Traditional Chinese Medicine (TCM) health seminar, which was scheduled after the New Year holiday in January. During the New Year period, people often enjoy delicious foods, which can place a great burden on the body. TCM focuses on the balance of Yin and Yang, cold and heat, and internal and external imbalances. We were honored to invite Dr. Eunice Hsu, a TCM doctor from Huamei TCM College, to give a lecture on "How to Care for the Body and Maintain Health - Caring for the Five Organs and Six Bowels." Dr. Hsu guided everyone on how to balance and emphasize body care, a topic that is of great concern to the friends in TCC. TCM emphasizes the importance of nurturing the liver in spring, the heart in summer, the lungs in autumn, and the kidneys in winter, while nurturing the spleen and stomach throughout the four seasons. This traditional wisdom attracted a lot of interest from the members. The attendees were eager to ask questions, and Dr. Hsu answered everyone's doubts in detail. Even after the scheduled time had ended. the participants were still enthusiastic and hoped that Dr. Hsu would soon arrange a "TCM Health Seminar Part 2."

3. Work Assignments and Reports by Group

1. Finance Group: The venue fee for the Overseas Chinese Education Center in March has been paid. The venue for the April seminar has been booked, and additional reservation forms for the venue have been prepared to facilitate easier venue booking and payment.

- 2. Membership Group: No new members.
- 3. Activities Group: The police-community meeting will take place next week. Directors with available time are encouraged to participate and

speak out, urging the police to pay more attention to the needs of the overseas Chinese community and to focus more on the safety of Chinatown.

- 4.Communications Group: The annual website subscription needs to be renewed. The video footage of the seminar events filmed by a reporter from The Epoch Times will be uploaded to the website.
- 5. Public Relations Group: On February 20th (Thursday), the Southwest Management Committee's breakfast meeting, "Morning Mixer," was attended by President Spenser Hsu and former President Sam Chang. This was a great opportunity for networking, and in the future, Chamber directors should attend more of such events.

6.Seminar Group: On April 27th (Sunday), the April Real Estate Seminar will feature heavyweight speakers Kenneth Li and Sam Chang, who will jointly present on "The Impact of Trump's New Policies on Real Estate."

4. Discussion Items and Work Review:

- (1) February 23rd TCM Seminar Discussion: The "Traditional Chinese Medicine Health Seminar" was so engaging that everyone wanted more. There is hope to continue inviting Dr. Hsu for a sequel, "TCM Health Seminar Part 2." The next session could include case studies and live demonstrations.
- (2) March 15th Real Estate Seminar: The speaker, Jean Liang is a real estate and appraisal expert. Everyone is encouraged to ask many questions. Please invite friends and family to attend.
- (3) April 27th (Sunday) Real Estate Seminar: We are honored to invite Kenneth Li and Sam Chang to speak on "The Impact of Trump's New Policies on Real Estate."
 - (4) May 18th (Sunday) Spring Barbecue:

The venue for the barbecue at Eldridge Park has been booked. The main challenge for the Taiwan Chamber's barbecue event is the large amount of manpower required for ingredient procurement and preparation.
